March 10, 2014

Greetings:

I want to thank you for your support for the 2013 Combined Federal Campaign. We are pleased to announce that we raised \$2,934,757. In January, more than 150 employees helped share our success at the CFC Awards Celebration.

The year's theme was "*Serving our Country, Supporting our Community.*" During this challenging year, it is evident that you were truly committed to the service and support of your country. Moreover, we are grateful and humbled by the concern expressed as you pressed through the challenges and recognized the needs of others in your community.

An achievement such as this could not be possible had it not been for the commitment of people like you. Patronage was extended from the Federal community on all levels – the Kansas City Federal Executive Board, LFCC chairs, loaned executives, campaign coordinators and canvassers – many who spent countless hours assuring the success of the campaign. Thank you for your hard work and dedication.
